New Family Health Center

Opens March 2019 in Willowbrook

On March 5, 2019, Pillars Community Health will open a new Family Health Center at Anne M. Jeans Elementary School in Willowbrook. Area residents are encouraged to visit our new site for affordable medical and dental services. The Health Center primarily accepts Medicaid and Medicare; some private insurance is accepted, and sliding fee discounts are available for eligible patients. We are particularly excited to make care more accessible to families in the Burr Ridge School District (CCSD 180).

Hours: Every Tuesday, 3 pm-7 pm

Location: Anne M. Jeans Elementary School
16W631 91st St., Willowbrook, IL 60527
Room 214 (enter through Door 12)

Services at the Family Health Center: Family medicine (annual physicals, vaccinations, screenings); pediatric services (including newborn visits); prenatal and postpartum care and free pregnancy tests; chronic disease management (diabetes, hypertension, asthma, cholesterol, obesity); and dental exams, cleanings, dental sealants, fluoride treatment, digital X-rays, oral cancer screenings, and patient education. We can refer for specialty services. The Syrian American Medical Society will be on-site one Saturday per month to provide free specialty services (endocrinology, pulmonology, pediatric cardiology, etc.).

Pillars Community Health provides health, social and educational services including Medical, Dental, Mental Health and Addictions, Domestic and Sexual Violence, Head Start, Early Head Start, Child Care, Benefits Assistance, Prevention/Health Education and Outreach, and more. We envision communities where all people have equal access to the care they need, when they need it.
