

Pillars Community Health's

100TH ANNIVERSARY

kickoff

Pillars Community Health

Healing. Caring. Educating. 1921-2021

JANUARY 28, 2021 | 6:00 PM - 7:30 PM

SILENT AUCTION • WINE AND CHARCUTERIE • LIVE MUSIC

It is with excitement and gratitude that I welcome you all to our inaugural 100th Anniversary Kickoff event, celebrating our centennial anniversary here at Pillars Community Health. Despite the extraordinary circumstances we find ourselves in, we are thrilled to have this moment to celebrate our past success as an agency and look ahead to future successes to come.

We all face a number of challenges in our personal and professional lives, and it is the process of growth and triumph that defines who we are, both as individual people and as a collective organization. Seeing our patients and clients through their own personal triumphs and successes – this is what has motivated us for for a century and is what continues to motivate us today. By joining us tonight, you have also proven your commitment to seeing those in our community succeed. This commitment, while one of many commitments in your lives, is yet a significant marker on both your journey through life, as well as the journeys of those who seek our services.

With the support of generous individuals like you, our vision of providing our friends and neighbors with the care they need, when they need it, continues stronger every day. I am so grateful that you have chosen to be with us tonight and hope that you continue to be a partner in our mission for many more milestones to come. Thank you for your outstanding kindness.

Angela Curran

President and Chief Executive Officer

Dear friends and neighbors,

My name is Steve Ryan, and it is my distinct pleasure to welcome you to Pillars Community Health's 100th Anniversary Kickoff. This is our first time ever hosting the Kickoff as an organization, and we are excited to share in celebrating our century of service with each and every one of you.

One hundred years marks an incredible milestone – it gives us the chance not only to reflect on what makes us proud of our work, but also look forward to a future where we can continue to make our vision of providing access to care a reality for anyone in our community.

It has been a true privilege to serve as Chair of the Board of Directors at Pillars Community Health and see, firsthand, how our wonderful staff and volunteers work each day to improve the lives of the people living right next door to us. It truly takes all of us coming together to create stronger, healthier communities, and, though there are always many obstacles—COVID-19 certainly included—this event is one such occasion of unity. Tonight is a chance for each of us to add our own mark to the amazing legacy that Pillars Community Health has carried for one hundred years, with many more yet to come.

I am honored to be here virtually tonight and look forward to an inspiring evening of celebration with you all. Thank you all so much for your outstanding support!

Stephen J. Ryan

Chair of the Board
