## **Are You *ALL IN* for Pillars Community Health?**

The annual Gala, *All In for PCH*, takes place on Friday, February 9, 2024, at the Chicago Marriott - Burr Ridge. This annual event celebrates the year's accomplishments while raising vital funds which PCH earmarks for the programs and services we provide our community.

Last year, over 250 guests, more than 35 businesses and organizations and several local community leaders, gathered in the name of *Pillars Community Health*. This year's event promises the return of GAMING - providing extra fun to an evening already filled with cocktails, hors d' oeuvres, dinner, dancing and philanthropy.

## **Pillars Community Health**

Pillars Community Health is an innovative provider of medical, dental, behavioral health, domestic and sexual violence services throughout Chicago's western and southwestern suburbs. We envision communities where all people have equal access to the care they need, when they need it. To that end, we are committed to eliminating barriers to care, such as language, income, or stigma. Therefore, our services are in English and Spanish, with many available in Arabic, along with video language interpretation lines. Some services are available free of charge; others are offered on a sliding fee scale (meaning the amount you pay depends on your ability to pay).

Because it is our mission to improve the health of our communities and empower individuals through compassionate, whole-person care.
